Port facilities moving to the demolished CEI power plant by the Shoreway and East 72nd Street

- (a) Already established loop into main railroad network from coal delivery and handling operations
- (b) Close to Collinwood yards and major rail routes East and West
- (c) Diminish and/or eliminate traffic going into West side of Cleveland, Lakewood, etc. communities
- (d) Freeing up railroad line along Lake Erie for more AMTRAK service

Railroad lines from East 55th St. to Nottingham Road reference to CEI plant at East 72nd Street
